v.

No. 10-cr-179-LO-1

ZACHARY ADAM CHESSE

Defendant

MOTION TO SEAL

Defendant Zachary A. Chesser moves this Court to seal his Motion for Provision of Transcript and Affidavit (filed simultaneously) because it contains his legal theories and there is no reason he should have to expose them at this time. He may wish to save some defenses for proceedings which may arise after the ones listed in the Motion to seal.

Respectfully submitted,
